Negotiated Exchange **ERP Solution** 

Request for quotation / information

accessible to buyer without webbased systems/process lines/machines.

Certain ERP solution is not

Collaborative Commerce

-transaction engine

-integration & management tools, etc.

Maintenance & Support

-Emergency support and critical service support

-Online Training

-Critical spare parts

-Software and control upgrades

-Repair and test services

-Routine technical support

Engineering and Simulation, international Procurement Center, etc.

Center for Advanced Numerical

Resources Sharing

Research and testing Center, etc.

-Hardware/Eguipment

remote CAM (specially for surge

capacity or occasional usage)

Remote CAD, remote CAE and

-Software

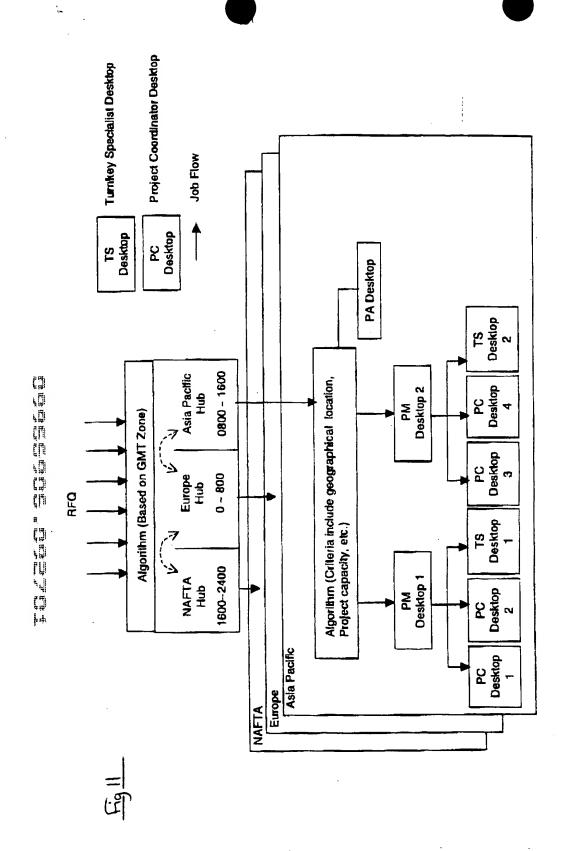

-Only for Flat rate members and "pay as you go" members.

Only for Buyer with systems/process lines/machines.

The access of Customer Desktop in a collaborative platform.
